

THE CHICAGO/MILWAUKEE

MINI DRIVE

Saturday Sept. 7th 3:00 at Knauz MINI

A handful of us Chicago area MINI owners are getting together for a "Drive-in Drive" - essentially a meet & greet trip up to International MINI of Milwaukee and then down again to Kenosha for a drive-in movie. Once we get up to Milwaukee we will meet and greet over 40 other MINIs and MINI owners. Any MINI or classic Mini owner is welcome to join us. It should be a fantastic time! We will also be discussing initial ideas for the new national MINI car club the MINICCA. Further we will be taking names of those who may be interested in participating and or helping with the creation of the club.

The days schedule is as follows:

SCHEDULE FOR THE DAY

3:00 pm meet at Knauz MINI

3:30 pm we'll all leave for Milwaukee (International MINI)

4:45 pm arrive at International Milwaukee

5:45 pm after talking all things MINIs all 40+ of us will begin our journey southward

6:30 pm arrive at Culvers in Racine for some Custard and Burgers

7:00 pm arrive at a local park (because we don't want to eat and drive!) to chill and eat and look at other MINIs

If you'd like to attend please email gabriel@bridger.us to confirm. If you have any other questions please feel free to write.

The cost is zero to meet and drive but we will individually have to cover the cost of our movies and of course our meals.
