

THE CHICAGO MINI FALL DRIVE

The Time & Date:
October 20th / 9:00 am

The final destination:

Quig's; a Family Restaurant, Country Store, Bakery, Garden Gift Shop, Greenhouse, Apple Orchard, with Haunted Events, and Much More! They specialize in pumpkins of all varieties to gourds and other fall decorative items. Kids welcome! www.quigs.com

The Plan:

We will meet at S. Campus drive where it intersects with Sheridan at Northwestern University in Evanston. (Detailed info to come)

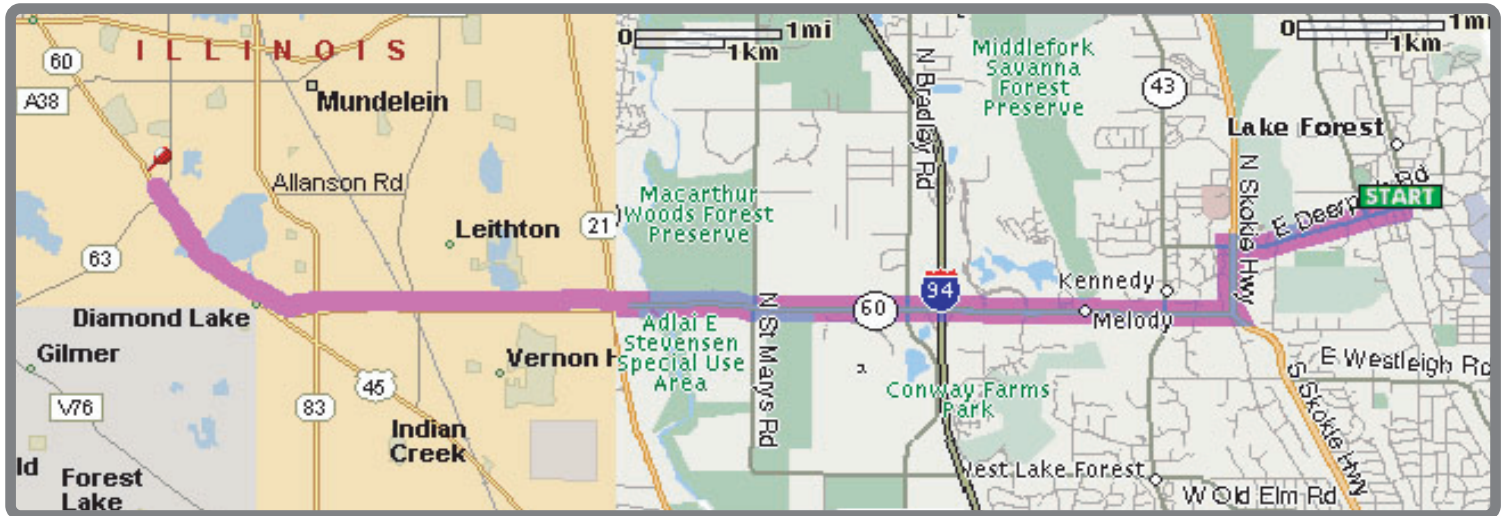

From there we will head north on Sheridan Rd for about a half an hour. You will enjoy one of the most beautiful roads Illinois has to offer (not to mention some of the most beautiful homes). It's worth noting that Sheridan twists around quite a bit. If for some reason you lose the pack make sure to keep an eye for street signs as we'll be making quite a few right hand turns in the Highland Park area. However the road is marked fairly well so it should be fairly easy figure it out.

Once we get to Market Square in Lake Forest we will park and get our bearing for the final leg of the trip. For your convenience there is a Starbucks on N. Bank Lane just off the northwest end of the square. There is also the Midwest's largest Ferrari dealership two blocks north on N. Western Ave. for those who might want to sneak a peak.

Directions From Evanston to Lake Forest via Sheridan Rd (for a detailed map refer to the other attached file):
